

MARCO MARIA MONTI
President, Automotive and Discrete Group
STMicroelectronics

Marco Monti is STMicroelectronics' President, Automotive and Discrete Group. The head of ST's Automotive Product Group since 2012, his mandate was expanded to include discrete and power transistor products in January 2016. Monti is a member of ST's Executive Committee since May 31st, 2018.

Monti joined ST in Central R&D in 1986 and transferred to the Automotive Division in 1988, where he designed automotive ICs incorporating smart-power technologies. He moved to Japan in 1990 working on a co-development activity designing a noise-reduction system for audio applications. Subsequently, Monti transferred into marketing, contributing to the expansion of ST's automotive business in Japan. In 2000, he became the marketing manager for ST's Automotive Division and started the Company's automotive microprocessor business two years later. In 2004, Monti was promoted to Division General Manager for Powertrain, Safety, and Chassis products, and he took responsibility for the Automotive Electronics Division in 2009. Then, in 2012, Monti was appointed Executive Vice President, General Manager of ST's Automotive Product Group.

Marco Monti was born in Milan, Italy, in 1961. He graduated cum laude in Electronic Engineering from the Polytechnic of Milan and earned a PhD in Electronics from the University of Pavia, Italy.
